Glen Holme On Property Sale

17th September 2026
Inspections from 10.30am
Auction at 1.00pm

Offering
Dohne Merino and
Poll Merino Rams

Accredited Brucellosis Free #1241, and OJD Vaccinated
Continuing abattoir surveillance with negative OJD results.

Welcome

Welcome to the 2026 Glen Holme Dohne and Poll Merino Sale.

Much has changed since our first sale in 2011, that had been enabled by our purchase of the full drop of ram lambs from the Pinedale Dohne dispersal in WA. We continue to innovate and evolve.

The biggest leap in 2026 is our decision to market our rams without the usual “light foot trimming” pre-sale. We believe that we have come far enough along the road of breeding sheep with better conformation including foot structure, that we offer you the assurance that the rams feet have not been trimmed. The foot structure is on display, not hidden with straw.

This is the last sale that will use different production indexes for the Dohnes and Poll Merinos. We will do all that we can to help you through the transition. The benefit will be that there will be clear comparisons possible between the breeds. For the Dohne portion, many more traits should be visible; we have submitted data from our Dohnes for years (and generations) that were MerinoSelect observations only. These should become “live” and visible in early 2027. Our two studs are very likely to have the best cross linkage and connection to the Sheep CRC/MLA resource flock and the enormous scientific databank of Merino Superior Sires and the MLP project. This will benefit all our clients who seek reliable information upon which they can make the best decisions with regard to selecting rams fit for their flock.

Our sheep suit many environments from dry pastoral zones to much wetter areas in Australia and have also proven themselves in South America. They are paddock raised, tested by the elements and ready for work. You can buy with confidence, and we support your purchases into the future.

Many thanks from the Kelly and Philp families.

Reference Sires

DOHNE MERINO Sires

20-6139	A balanced ram with growth and fleece quality, along with breech traits and fertility
21-6869	Lambs are robust and have good staple length
21-6890	From the Harewood line from Armidale NSW, where summer rainfall provides challenges to wool colour, fleecerot and flystrike. Their strengths are in clean fleece weights, fibre diameter and number of lambs weaned.
23-7772	Nourished, stylish wool, with a solid hindquarter and quiet temperament.
23-7883	From the Noorla line originally from WA, in an area that provides challenges for both wool and internal parasites. They are generally good for eye muscle, staple length, dag and breech cover.
O'BRIEN 22-0359	This ram is sired by Glen Holme 16-2503. Progeny exhibit good growth, and have high maternal weaning weight (MWWT) ASBVs.

POLL MERINO Sires

O'BRIEN 20-0517	Has well grown progeny with stylish, nourished wool.
O'BRIEN 22-1405	Wool cutter with great character and nourishment.

Our rams have undergone careful production measurement, data collection and analysis to provide ASBVs (breeding values).

Progeny at Glen Holme are measured for body weight, fat and muscle depth, greasy fleece weight, fibre diameter, CV of fibre diameter and graded for visually assessed traits.

Dohnes are analysed separately to the Poll Merino and Poll Merino cross animals, in either the Dohne Analysis or Merino Select, as their breed dictates. Unfortunately, whilst many of the ASBV headings are the same, they cannot be compared between the breeds or analyses, nor can the indexes be compared. We aim to provide a wide range of ASBVs in our catalogue. Please look for any additional information, indexes and breeding values on the Sheep Genetics website.

Dohne Merino flock code – 510184 GLEN HOLME

Poll Merino flock code – 600166 GLEN HOLME

Glossary/ASBVs

WWT – weaning weight
PWT – post weaning weight
YWT – yearling weight
YEMD – yearling eye muscle depth
YFAT – yearling fat depth
YCFW – yearling clean fleece weight
YFD – yearling fibre diameter
YFDCV – yearling fibre diameter CV
YSL – yearling staple length
YSS – yearling staple strength
DAG – late Dag
EBCOV – early breech cover
EBWR – early breech wrinkle

Dohne Merino Analysis

Dohne+ - Dohne Plus index

Merino Select Analysis

SM – Sustainable Merino index
ML – Merino Lamb index
WP – Wool Production index
FW – Fine Wool index

Objective Data

BT – birth type
RT – rear type
FD (mic) – fibre diameter in micron
FDCV – fibre diameter CV
FCF – comfort factor

Health Treatments and Management

Not toe-trimmed.

At marking all animals were treated with GlanEry7.

All rams are non-mulesed.

Our rams and ewes are vaccinated with Gudair.

At weaning all animals were treated with Glanvac 6.

Rams were vaccinated with Glanvac 6 on 1/6/26.

Drenched with Startect on 20/10/2025 and 1/06/2026.

Shorn on 19/5/2026.

Rebate for Outside Agents

3% rebate payable to outside agents, present at the sale, having introduced buyers in writing to the vendor at least 24 hours prior to the sale.

Insurance

All rams purchased at this sale become the responsibility of the purchaser from the fall of the hammer. We encourage all purchasers to insure their rams against future loss or injury. All rams with pre-arranged delivery or collection at a later date are required to be insured. Please see the Agents desk.

Quality Assurance

All rams are offered in the belief that they are sound and fertile. In the unlikely event that this is not the case, please discuss your concerns with the vendors as soon as possible.

Delivery

Interstate delivery of purchases may be coordinated through the Agents. Please discuss this if required.

Interstate or Export Purchases

Additional costs and charges associated with interstate or export purchases are to be borne by the purchaser.

Sale Catalogue Disclaimer

All reasonable care has been taken by the vendor to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendor nor the selling agents make any other representations about the accuracy, reliability or completeness of any information provided and do not assume any responsibility for the use or interpretation of the information included in this catalogue.

*Thank you to all buyers and under-bidders.
We appreciate your support.*
